

Section4(1)(b)(xv): Particulars of facilities available to citizens for obtaining information including the working hours of a library or reading room, if maintained for public use

(a) Publications:

Technical bulletins and extension bulletins depicting the technology developed at the Institute on various aspects related to temperate crops development and production are available at nominal cost. The packages of practices for temperate crop cultivation are however supplied free.

(b) Library

The library at the Institute's headquarter at Srinagar has thousands of documents-books and periodicals. The library at Srinagar as well as its libraries at regional stations are open for the all scientists engaged in temperate crop research in the country and also to other readers/workers/farmers who are interested on getting information on the subject, The timings are as per office hours which at Srinagar are 10:00 AM to 5:00 PM with Sunday and holidays off.
